

This is my tree house.
I am looking out of the window with my sister Lisette.
I have internet in my tree house.
I have a satellite.
I love my tree house.

Daniel

The top of my tree house looks like a fly agaric. (Fliegenpilz)
On the right side of my tree house there is a red slide.
And on the left side there is a ladder that you can pull up.
It has a telescope.
And there is a bird's nest with chicks.
Inside it is also very cool. It even has wifi.

Leonardo

My tree house has a climbing wall and two ropes to climb up.
My tree house has a slide and a swing and a board above where you can jump.
Inside there is a refrigerator, a table with chairs and a beanbag.
My house is made of woods, nails, ropes and boards.

Sophie

My tree house is very cosy.
My tree house is in my garden.
The garden is very big.
There is a funny slide.
My tree house is built of ebony boards.
Animals live in my tree house.
My tree house has knitters.
